

South Carolina Association for Middle Level Education 46th Annual Conference March 3-5, 2023

Dear Education Marketer:

We are excited to announce the 45th annual S.C. Association for Middle Level Education (SCAMLE) conference to be held March 3-5, 2023 at the Myrtle Beach Convention Center in beautiful Myrtle Beach, SC. For 45 years, this conference has brought together nearly 1000 educators to view great products and examine new tools to use in their classrooms. We are excited to be back in person and bring together educators from across our state who specialize in middle level education. We appreciate your support and invite you to consider a sponsorship and/or being a vendor with us in 2023. Our conference is recognized as one of the finest state education conferences in the nation, and thousands of participants each year can attest to the importance of our many sessions and exhibits.

The SCAMLE conference is an excellent opportunity for you to meet teachers, administrators, university professionals, and other educational decision makers from across South Carolina and from other states, too. During this past spring, even during the global pandemic and being forced to be virtual, nearly 1,000 participants from almost all of South Carolina's counties and from several other states and provinces across the US and Bermuda attended our conference! Our goal is to make advertising and sponsoring a valuable and profitable experience for you and our conference attendees while furthering the non-profit endeavors of the South Carolina Association for Middle Level Education to provide support for quality middle level education.

Enclosed you will find information about our conference as well as an application and sponsorship information. If you have any questions, please do not hesitate to contact our vendor and sponsorship chair, Bradley Brazell at bbrazell849@gmail.com or our Executive Director, David McDonald at david.mcdonald@scamle.org.

Thank you in advance for your help in making our 2023 conference a great celebration of middle level education!

Sincerely,

Jeff Jenkins, President, SCAMLE
